Letters to the Editor

Opinions expressed in this publication are not necessarily those held by the Residents' Association Committee. Alternative viewpoints are always welcome but anonymous letters will not be printed. The Editor reserves the right to withhold names and addresses where appropriate.

Dear Editor,

Having read District Councillor Roger Hall's article "Wheelie bins for Bar Hill" and the frequently asked questions, published in the May edition of the B.H.N. I am concerned with the accuracy and less than honest answer to the question "Why is the council changing from sacks to wheeled bins?" where it is stated, "The council is also changing to a wheeled bin service as part of wider directives from the E.U. etc."

E.U. directives only state what must be recycled. There is NO E.U. directive that states wheeled bins must be used as a method of waste collection prior to recycling and disposal. It is S.C.D.C., NOT the E.U. who will be imposing wheeled bins on Bar Hill irrespective of resident's wishes and the problems of storing and handling that such bins will create. Examples— Properties with

1) No side entrance to rear gardens

2) No front gardens

3) Steps leading to front doors directly from the road

4) Groups of houses/flats with only communal car parking spaces

5) Houses without garages

6) Elderly residents having difficulty handling wheeled bins either all or a combination of the above.

Other aspects to consider.

a)A mini crime wave would be created through vandalism, theft or bins thrown into the stream as happens with Tesco trolleys.

b)Who pays if bins are stolen or vandalised?

c)Bins left outside houses on a permanent basis will look unsightly.- Look at some parts of Cambridge City.

Some of your Parish Councillors have looked at the residential areas of the village to identify roads and properties where potential problems could exist. Their findings have been sent to S.C.D.C asking for a site visit a.s.a.p.

Yours faithfully

Michael Boughton-Fox.

Dear Editor

I have known Roger Hall for many years and know of his interest in Bar Hill and efforts to make it a better place for its residents.

I agree with his concerns for the reduction in book borrowings from the local library but I think that the need for libraries to survive in their present form is more complex.

I do not use the library very much now -the major reason is that my needs are meet by Mr Google and the internet,which I can contact and search and get up to date information and facts -day or night at the touch of a search button.

Tesco -The Newsagent etc have a wide range of books at very reasonable prices and of course the range of book clubs and special magazines is enormous. Amazon's web site is but one reference I use to check on books I may seek -----and it takes but seconds to access.

Some homes have more than one computer and the cost of wide band and the speed of web transactions is such that I cannot see how in the future the need for libraries in the present form and the lack of cash to run them will make local closures impossible, without some dramatic changes in organisation and purpose.

In fact I do not think it will be long before libraries will only exist as long as the skeletons of legislation are met by local councils.

Regards

Mike Fiske, 32 Oatlands

This is the first of an occasional series of readers' favourite recipes. Please send yours to the Editor and they will be considered for publication as space is available.

Cheese Biscuits

4oz Plain white flour
4oz Self-raising wholemeal flour
5oz Hard margarine
6oz Grated cheese (very tasty Cheddar)
1 Medium egg, beaten
1 teaspoon Worcester Sauce
Salted peanuts
1 teaspoon dry mustard
Onion salt (to taste)
Black pepper (to taste)

Beat the egg with the Worcester sauce and put it on one side. Sieve the flour together with the mustard and onion salt into a mixing bowl. Rub in the margarine. Shake in some black pepper. Add the grated cheese and mix it all together, adding enough of the egg mixture for it to cling together (about half the egg, keep the rest for later). Knead together and roll out thinly (about 1/8 inch). It's easier to roll if you split the mixture and roll 1/4 at a time. Cut into small squares using a ruler and a pizza-cutter. Brush the tops with the remaining egg mixture, press half a peanut onto each square and brush with egg again. Bake on baking sheets lined with non-stick baking parchment. Cook towards the top of a hot oven Gas 7, 200C or 180C Fan. Cook for 8 minutes then swap the trays around and cook for a further 5 minutes. Check carefully as these can scorch easily.

Sports & Social Club

Our membership draw now takes place every other Saturday night with the draws this month being on the 14th & 28th. As I write this column the jackpot sum stands at £325. This must be won, and £25 will be added to the total after each draw until it is. We have also started a spot prize membership draw which takes place after the main draw; so even if the main jackpot prize is not won, then the smaller prize will be won by somebody in the club that night. To be eligible to win either draw you must be in the club on draw night and be in possession of your current membership card, no card no prize.

We are all eagerly awaiting our annual beer festival which as normal will take place over the Fete weekend, with hopefully up to 12 real ales including a mild ale being available over the weekend. Also on Fete Saturday we will be having Rosie Val & The Cambridge Jazz Band to entertain us during the aftenoon, please note that we welcome non members to our club during this day so do come and see us: who knows you might like what you see.

Later on in the day we are holding a Barbeque and 60's evening with dancing to Running on Empty, this will be held in the Village Hall starting at 8pm and entrance will cost £5, please note that this is a MEMBERS ONLY event. Tickets are available now at the bar.

As the long summer nights approach can I please take this opportunity to inform all and guests that no glass of any description including bottles (particularly Alco pops and soft drinks) are to be taken onto the village green or picnic table area. Please help us to enforce this by asking for a plastic 'glass' if you want to go onto the village green with a drink that has been purchased in the club.

We look forward to seeing you all on Fete day.

Best Wishes Bob Wells Chairman

Oh well ... There'll be another time.

The birds are back in town, or at least in Bar Hill.

Now is a good time to get out into the countryside and hear and see which spring migrants are about. I've seen and heard White Throat. They tend to fly up into the air above their display bush, and then flutter back down to it.

In the wooded areas with trees, you can hear and see Chiffchaff, another migrant from Africa. Once heard its song won't be forgotten.

Wood Warblers, Willow Warblers, Chiffchaffs etc. all look similar and are often referred to as LBJs ("Little Brown Jobs")

There are also Blackcaps that have flown all the way from Africa back to Bar Hill and have been joined by House Martins, Swifts and Swallows. These will all stay for the nesting season and, along with the Cuckoo seen recently, will then make their way back to Africa.

The highlight of a recent walk around the Nature Reserve was a Nightingale, the first one I've seen and possibly heard. They usually skulk deep inside the thick bushes of Blackthorn etc., but once heard, its really variable, rich song won't be forgotten. It has been likened to a juvenile Robin, but with a redder tail. I only saw it because even they have to move occasionally. With 'binos' trained on the area of bushes where the sound was coming from, I was ready: a movement: and there it was, my 'juvenile Robin' and then, as quick as Linford Christie out of the starting blocks, it was gone, but the sighting stayed in my mind.

I decided to test the well-known fact that Nightingales sing at night, so I waited until it started getting dark, and at 9.45pm Poppy and I went for a walk. A pale moon helped light my way. We made our way to the area where I'd heard it. Yes, I could hear it singing. I moved slowly into position, hear it singing again and pressed 'record' on my tape recorder. I caught about the last three notes of its song, and it went quiet. I stood with my arm out, holding the tape recorder. Poppy was, by now, puzzled as to what I was doing, but sat there patiently. I also stood there patiently, but the Nightingale had decided that 'enough was enough' and flew away to a new location. I decided to locate myself in the direction of home, and so, through the pale moonlight, trudged myself, a bit upset at not getting it on tape, and Poppy, who was enjoying the whole adventure. Meanwhile, somewhere in the Nature Reserve sat a Nightingale who was waiting for peace to be restored again. Oh well ... There'll be another time.

Bar Hill Pre-School Playgroup

You will find us in the Village Hall Centre on the Village Green, which can easily be reached by footpath or from the perimeter road via The Spinney.

The aim of our community playgroup is to enhance the development of **all** children placed in our care. This is achieved through the various activities we have in our **two rooms**, which provides the educational setting required by OFSTED. Our qualified friendly 'Early Year's Practitioners' - Sonya, Julie and Sylvia supervise our sessions.

WE OFFER YOUR CHILD:

A tailored curriculum, following the Foundation Stage. With the emphasis on "Learning Through Play".

* Individual care and attention made possible by a higher ratio of adults-to-children.
* Fun and friendship with children and adults.
* We monitor your child's progress and keep a confidential record of their development and achievements.
* We recognize parents are the first and most important educators of young children. We therefore offer the opportunity to directly get involved in the playgroup through our parent helper scheme. This offers reduced fees if you choose to help at a session your child attends.

We also offer the Parent/carers the opportunity to become a committee member and be part of the running and decision making of the playgroup.

CURRICULUM

Within the group all children are supported in developing their potential at their own pace. Our Key worker system enables our staff team to ensure a planned curriculum tailored to the needs of each individual child. Using the Foundation Stage Curriculum the child's development is split into 6 areas of learning.

SESSION TIMES

Mon, Wed, Thurs, Fri 11.45 - 12.45

Tues 11.15 - 12.15

The Lunch Club which is partly funded through the New Opportunities Fund, offers the child the opportunity to have their packed lunch at the Pre-School with their friends and our staff team. Lunch Club places can be booked through our administrator

NURSERY VOUCHERS

Under the Nursery Grant Scheme we can offer 5 free sessions when your child is eligible. For further information please contact, Julie Jolley 780445.

SUBSIDISED PLACES

We also offer reduced session rates for Parents/Carers on Income Support/ Working Tax Credit.

Proof of benefit will be asked, to claim discount.

PLAY TOTS

This is run by Sonya on a Tuesday morning and is an excellent way for your tiny tots to get used to the idea of pre-school. The starting age is One Year until Three. It is popular with both parents and childminders and really gives children the chance to enjoy playing and crafts. We want to give parents maximum time to enjoy playing with their children and to have a well deserved break, so no tidying or clearing up duties. The playgroup takes care of that. Tea and coffee is available for adults, and children are given a drink and biscuit as part of the entrance fee. The other good news is that it is "pay on the day" so you don't lose out if you can't make it one week. Come and see us, no need to book. Just turn up on the day.

PLACES

For places ring Sylvia **201670**. Application forms are available at Playgroup, The Library and the foyer of the Village Hall.

ABOUT US. We are members of the PLA (Pre-School Learning Alliance) and work to the guidelines set out by OFSTED. All areas of learning are covered in our daily sessions; these are Language/Literacy, Maths, Personal/Social Development, Knowledge & Understanding of the world and Creative and Physical Development. We have a keen and dedicated staff and the pre-school is run by parent committee (volunteers!) We encourage parents to be involved in the sessions through our "Parent Help" scheme which not only allows you to see your child interacting in the pre-school setting, but also gives substantially reduced fees!

Our aim is to assist the children's learning through fun activities and play. We use a wide range of toys and equipment, play dough, sand and water play, painting, construction, various types of materials, wood work, puzzles, shape sorting and sequencing boards, large floor mats and dice, a varied selection of books and the P.C. to name but a few.

We are also lucky enough to have our own secure garden, which is well equipped with a climbing frame, slide, play house, balance tyres and plenty of ride on toys to help build strong muscles.

During our sessions

We take a break for milk and fruit. Your little one is welcome to bring a drink with them in a labelled cup that will be available for them to have at any time they wish as well as the above.

We celebrate the children's birthdays and you are welcome to bring buns, biscuits etc if you wish. We supply the candles!!

As we are registered with the Nursery Grant Scheme, each child is entitled to **5 FREE SESSIONS** per week from the term before their 4th birthday!

Call Vicky on 205497 for information and to book sessions. Registration forms available at Sunshine, the Library and Under Ones!

Putting principles into practice.

Providing a well-planned curriculum enables us to give each child rich and stimulating experiences in which they can explore, plan and learn to make decisions independently.

Our carefully considered environment allows for appropriate intervention by staff, which will engage children in the learning process.
All of our staff hold NNEB or teaching qualifications.

In recognising that all children develop at different rates we provide a caring atmosphere in which everyone feels included, secure and valued.

We respect and understand the important role of parents in their child's early years education.

Bar Hill Branch

The usual branch meeting was held at the village hall on 24th April with 20 members attending and also enjoying the social after, during which the Treasurer, Neville Clark, won the monthly quiz which was set this month by Tony (sweet-tooth) Shubotham.

I advised members that I am awaiting details from the Poppy Factory for the branch members and friends to arrange a visit which would include a 2-hour tour and refreshments.

Whilst on the subject of poppies, as honorary Poppy Appeal Organiser for the Bar Hill Branch, I should soon be receiving an order list of our branch requirements for wreaths, crosses, posies etc. in readiness for this year's appeal in November (3rd to 8th). However, should any BHN readers, families or friends visit their loved-ones war graves during the year and, prior to the poppy appeal, would like to order anything for their memorials, please contact any of the following officers: Mike Duce (Chairman), Neville Clark (Treasurer) or Terry Barnes (Poppy Appeal Organiser). We should be able to help. Deliveries are usually made within seven days from order placement. Whilst we do not charge for the item, a donation is always welcome which will go straight to the poppy appeal.

This year's branch barbecue is being held at Mary and Tony Shubotham's house on 14th June, and not at Terry and Ann Barnes', as previously stated.

The next branch Meeting is on June 25th in the Village Hall at 7.30pm

Happy Hours

The Recycled Youth Club.

Last month I praised the Committee for delivering the Bar Hill News in the first few days of each month, only to find that the May edition was nearly a fortnight late. I hear that this was due to a breakdown of the printer, and that normal service will be resumed in future.

Lunches. Summer is now with us, and from 2nd June we will be having Salad lunches of various kinds, provided by our Committee Ladies, who just love to work in the kitchen.

Holiday. Our six day holiday started on Sunday 27th. April, when 36 members travelled to our hotel on the sea front at Llandudno. On the Monday we enjoyed a full day in the historic city of Chester, which included a tour around the city by a guide dressed as a Roman Legionaire. On Tuesday we travelled to Bangor where we crossed the Menai Strait to Anglesey before carrying on to Caernarfon. It was here, in the beautiful surroundings of the castle, that Prince Charles was created Prince of Wales in 1969.

On Wednesday we visited the Llechwedd slate caverns at Blaenau Ffestiniog where we toured the spectacular underground world of the Victorian slate miner. Later, passing by the Swallow Falls, we carried on to Betws-y-Coed. Thursday was spent in Llandudno, mainly for shopping, but many of us visited the 'David Bailey Show' in the afternoon, for two hours of memorable music.

Travelling home on Friday, we called for lunch at the visitors centre, at the Josiah Wedgewood pottery factory at Barlaston, near Stoke-on-Trent, Throughout the week the weather was fairly kind to us, and we give our thanks for being well looked after by our driver, Tony of 'Tony's Coaches', and Helen Collins who organised the holiday.

Day Tour. On Wednesday 14th May, some 34 of our members enjoyed a day out to Bury St. Edmunds. It was the start of the towns 'Flower Festival Week', the streets were well decorated and the Abbey Gardens were a wonderful sight.

Talk. On Monday 12th. May, we had a visit from Hillary Connor, a Community Safety Officer with Cambridgeshire Constabulary. She gave us an interesting talk on safety of ourselves and our homes, and showed us a short video. Many thanks Hillary, I hope our members take your advice.

Congratulations. To Lily Neal, who week after week, happens to be one of the first to answer, 'Where and When' in the Down Memory Way column of the Cambridge Town Crier. Well done Lily.

Sickness. I am sorry to report that Joan Platt is still in hospital, as is Joyce Todd, whilst George Wood is at a Rest Centre, having been discharged from hospital. Mirrian Sanders was rushed into hospital on the morning that she should have travelled to Llandudno. but fortunately after a week, she is now at home and on the mend.

Village Fete. Once again Happy Hours will be running the 'Bottle Stall' at the fete on Saturday 28th June, and the Committee will be pleased to receive any prizes from our members. (Bottles only). Many thanks are given to the Chairman and Committee of the Village Social Club for their generous donation and support for the Bottle Stall. Also many thanks to Brian and Jean, who will again run the stall for us.

Dennis Holt, 780948.

The PROJECT is now in full use, and the floodlit all weather surface is seen lighting up the sky nearly every evening with training sessions and the "village floodlit 5-a-side league". The Parish Council owned facility, is available for hire by clubs, organisations or private hire for matches or football birthday parties etc. With the summer approaching there is less football training so more opportunity to hire the facility in the evenings.

The "official opening" by Margaret Sellars (Parish Council Chairperson) took place on 29th April. The scorpion 3 v 3 tournament for the Colts players was won by Team "December" made up of Adam Dean, Callum Gawthrope and Joe MacMurry with 32 wins. The mini soccer training session run by Dan Ashworth was also enjoyed.

The village 5-a-side football league is half way through it's fourth phase. If you are interested in entering a team into the league contact Paul Thorby on 781527.

South Cambs are running a four week girl's football training programme starting on 12th May in preparing to enter a team in the Heart of the East games. Some of the girls who have been taking part in the coaching during the winter took part in the Great Shelford Girls Football Festival. They played 4 games winning 3 and loosing 1. The team included Gemma Clare, Gabby Pimental, Hannah Thorp, Rebecca Hewings, Melissa Brown and Eleanor.

The Active Sports Hockey coaching for younger players is now in full swing, and if you want to know more, or are interested in trying out your hockey skills please contact Claire Thorby on 781527. Players from the coaching took part in a tournament in Cambridge and came joint 1st so well done to Dom Gedny, George Honey, Joe Pridgeon, Daniel Thorby and Nick Warner. We now have 30 children between 7 and 11 taking part in the coaching. The plan is for the coaches to form a junior hockey club in the village later this year.

We are hoping to play some ladies hockey in the near future and those in year 7 and above are welcome to join in. Look out for notices on the pitch.

Bowls has been tried out again and we have had three sets of bowls donated to lend to people - thank you for those.

If you wish to find out more about hiring the facility, then contact our Bookings Secretary, Lisa Francis on 201160.

If you have any spare time and can join a rota to help supervise regular pay and play football sessions on the pitch for juniors please give me a ring on 781527.

Neighbourhood Watch

Summer is the time when we work outside either gardening or catching up with D.I.Y. jobs. The tip for the month is: -Remember not to leave tools and ladders in the garden - lock them up safely away, in firmly secured, sheds and garages. Otherwise they could be very helpful to passing burglars who might use them for breaking into your, or your neighbour's, property.

For further information on any security issue, please contact the Community Safety Unit at Parkside Police Station on 01223 358996.

The 1st Team started it's League campaign with a real nail-biter at home to Fen Ditton. Fen Ditton were put into bat in difficult conditions and the Bar Hill bowlers took wickets at regular intervals to restrict them to 114 all out, with Mark Thompson taking career best figures of 4-21. Bar Hill batted solidly but were unable to match the run-rate required and despite Mark Thompson hitting 25 Bar Hill finally ran out of overs just four runs short, on 110 for 8. The following week Bar Hill made their, now customary, early exit from the Cup, this time at the hands of Comberton II. Again Bar Hill managed to bowl out their opponents, this time for 136, with Martin Cullum bagging 3-20. Unfortunately in a repeat of the previous weeks game Bar Hill couldn't score the runs quickly enough and ran out of overs when they were 93 for 7. Ian Basser top-scored with 19.

The 1st Team actually started the season with a friendly against a strong Hardwick side. Hardwick, mainly thanks to their opening batsman who hit 122, rattled up a very impressive 245 for 7. Newcomer Jason Burns was the pick of the Bar Hill bowlers taking 3-37 on debut. Bar Hill couldn't live with the required run-rate and despite a dogged 55 from David Fletcher Bar Hill were skittled out for 114.

The first Friendly Team game of the season was away to Girton. After Girton chose to bat first they reached 50 before they lost their first wicket. That gave them the platform to get after the Bar Hill bowlers and finally posted 185 for 9. Although expensive, Adam Dean was Bar Hill's most prolific bowler, finishing with 3-47. Despite losing an early wicket Mark Thompson (41) and Paul Stimpson (55) were undaunted about chasing the required target. However, once they were both out, the run rate dropped and in order to retrieve the situation Bar Hill took more and more risks. This led to them running out of wickets, falling just 14 runs short on 171.

The Junior Teams fared a lot better than their Senior counterparts with both the Under 15's and Under 13's winning their first League games comfortably.

The Under 15's started first, taking on Over. Bar Hill, batting first, managed to score runs with ease rattling up 143 for 4 at a rate of more than seven an over. Cameron Scott started where he finished off last season by knocking an unbeaten 83 and sharing in a record fifth wicket partnership of 87 with Robert Ruddy. Whatever chance Over had to rescue the game disappeared in the first over when they lost their first two wickets with no runs on the board. They did rally but never looked like getting near the Bar Hill total and finally finished on 86 for 9. Cameron Scott weighed in with 3-6 and Chris Lewney broke another record by becoming the first Junior player to take three catches in a match.

The Under 13's started their campaign at home to NCI on a cold and blustery day. The Bar Hill bowlers (led by captain Craig Driver who took 4-7) made short work of the NCI batting line-up by reducing them to 61 for 7 off of their allotted overs. Bar Hill reached their target with ease with nine wickets and more than a quarter of their overs to spare. Cameron Scott dominated the Bar Hill run-scoring hitting an unbeaten 44.

The Minister's Letter

As I write this, I've just got back from a conference in Northern Germany with Lutheran Pastors from the Church of the North Elbe. We discussed many things, including the legacy of the 2nd world war from our different perspectives. It's probably that which brings my mind to the 6th of June, the anniversary of D-day, the Normandy landings of the allied forces in 1944, still, the biggest seabourne assault the world has ever seen. It was a huge risk in a war that simply had to be won - a war that liberated Germany from a cruel dictator as much as it did France and all the other occupied territories.

I'm no historian, but I'm told that, after D-day, victory for the allied forces was virtually inevitable. The battle was effectively won, no matter how much fighting there was still to go. Many brave servicemen and innocent civilians from both sides were still to lose their lives, but the decisive blow had been struck. War is horrible and the innocent often suffer as much as the guilty. There will be a day when war is no more and the world can live at peace. Until that day we live in hope.

There is a war on right now, and I'm not talking about Al-qaida or Iraq, but an ongoing war of international rebellion against a wise and loving king. We humans have hijacked God's good world and used it for our own selfish ends ... and it suffers and groans under our mismanagement. God has tried negotiation, sending messengers to us to explain his roadmap for peace, but we would have none of it and refused again and again to listen.

So God chose to do something about it - something decisive - something of the order of D-day, a crushing defeat of the powers of evil. He sent Jesus, his only son, as a conciliator ... and we killed him.

If that had been the end ... it would have been God's defeat and disaster for the world. But Easter proclaims that it wasn't the end. Through Jesus' sacrificial death and glorious resurrection, victory is assured and there *is* hope for the world. We live between D-day and VE-day. So why not join the allies?

'God was reconciling the world to himself in Christ, not counting men's sins against them. ... We implore you on Christ's behalf: Be reconciled to God'. 2 Corinthians, chapter 5: verses 19 and 20

From your County Councillor

As I write this the row over education funding rumbles on. The government accuses Local Education Authorities of withholding the money, while the LEA's respond by blaming the government. Education funding, like all local government funding is extremely complicated. Every autumn the government gives a grant to local authorities (approximately 30% of the total funding requirement for a local authority) but at the same time announces indicative figures of what it thinks a local authority should spend in particular areas and the increases over the previous year. However, although the figures are only indicative, if we don't pass on the entire increase for schools to schools, then we face our budget being called in by the Department for Education. This is known in the trade as passporting.

This year has been made more complicated by the new system of local government finance and that fact that while we finally won our case for Area Cost Adjustment, the government withheld some £10m of our grant on the grounds that we couldn't possibly spend it all at once! Rather like a child who refuses to admit he is wrong, Education Secretary Charles Clark last week published figures which aimed to justify his case.

As far as Cambridgeshire is concerned the government admits that we have passported 113% of the schools block, but at the same time claims that we have withheld some £6m of money aimed for schools, even I can see that something doesn't add up here. I have heard of one authority, which has been brought to task by the DfEE for not spending a million pounds of earmarked funds. In typical DfEE style an explanation was demanded, well said the LEA, which shall remain nameless, we are still waiting for DfEE approval to spend it! Just to rub salt in the wounds it has now been reported that the Department for Education itself is not spending its own budget, it was underspent by some £1bn. Now if this had gone to where it was really needed, schools throughout the country would not be faced with the prospect of making staff redundant and children would not be losing out on their education.

I am always available for consultation, either in person or by phone, letter or e-mail. I can be reached at the address or telephone number below.
